To Whom It May Concern:

We express our thanks to Brown Eagle [BE] Limited for a job very well done in supporting the Consortium in supplying Turnouts from ThyssenKrupp GfT Gleistechnik GmbH and Concrete sleepers from Rail.One GmbH required for our project (Civil and Track Works Contract (CTW 400), Az Zabirah Junction to King Khalid International Airport).

For the past 2 years Brown Eagle [BE] Ltd Company has shown serious dedication to supply the products on time, which greatly benefited the Project. The value of the contracts with Brown Eagle was SAR 24,613,561/- (Twenty Four Millions, Six Hundred and Thirteen Thousands, Five Hundred and Sixty One Saudi Riyals).

Brown Eagle [BE] Limited was able to maintain good performance in fulfilling its commitments. Their attention to solving the challenges has been very remarkable, resulting in a job well done.

Again, we would like to express our gratitude for their full efforts in completing their contract. We would not hesitate to recommend BROWN EAGLE to other organizations whom are also in need of Turnouts and Concrete Sleepers.

Sincerely Yours,

Engr. Saleh Al-Olaiyan
Consortium Manager
