To Whom it may concern

We like to express our sincere thanks and appreciation to your company, BROWN EAGLE (BE) Ltd., for job well done as our local business partners in the Middle East in support and realization of consulting and selling our products to various Middle East clients on their railway projects and on new business opportunities enabling us to be market leaders in the supply of Railway Buffer Stops and other related products in GCC.

We wish BE the best in the future and will not hesitate to refer other companies to BE.

We look forward to continuous prosperous and successful relationship.

Best regards

Klose GmbH
