

Riyadh Metro Package 3. Line 4, 5 & 6 Track Joint Venture (TJV)

Date: 14/03/2018

Ref: Reference letter for Brown Eagle

To Whom It May Concern,

FAST Consortium certifies that Saudi Brown Eagle subcontracted with us the supply of KLOSE GmbH Buffer Stops on our Riyadh Metro Project and has coordinated all technical, commercial, delivery and after sale support between FAST and the manufacturer. Total value of the contract was EUR 519,172.00 and that was between the periods from August 2016 to November 2017.

Subcontractor achieved the works according to the specifications and times specified and were able to maintain efficiency and timely delivery and professional performance on a job well done.

We will not hesitate to recommend Saudi Brown Eagle on other projects.

Best Regards
