We like to express our sincere thanks and appreciation to your company, BROWN EAGLE [BE] LTD. for job well done as our local business partners in the Middle East in mitigating and solving hands on challenges and problems with various Middle East clients on their railway projects and on new business opportunities enabling us to be market leaders in the supply of Railway Turnouts and other related products in Saudi Arabia.

We wish BE the best in the future and will not hesitate to refer other companies to BE and we look forward to a continuous prosperous and successful relationship.
