Reference Letter

To whom it may concern,

We like to express our sincere thanks and appreciation to your company, BROWN EAGLE [BE] LTD. for job well done as our local business partners in the Middle East in mitigating and solving hands on challenges and problems with various Middle East clients on their railway projects and on new business opportunities enabling us to become a supplier of Railway Turnouts and other related track products in GCC.

We wish BE the best in the future and will not hesitate to recommend BE to other companies and we look forward to continuous prosperous and successful relationship.
