

To business partners and
whom it may concern

**Reference Letter from
Faiveley Transport Leipzig GmbH & Co. KG & Faiveley Transport Amiens**

We would like to express our sincere thanks and appreciation for a well done job to your company BROWN EAGLE [BE] LTD., as our Middle Easter partner on the maintenance and retrofit works that included HVACs & Brakes: AGTU & BCU products on the Alstom Rolling Stock on the Riyadh Metro on 65 Train sets (on Lines 4, 5 & 6). Thank you for your dedication in the past 1.5 years to perform efficiently and your ability to support our clients and to satisfactorily solve their problems

We wish Brown Eagle the best, will not hesitate to recommend them to anyone and look forward to a continuous partnership with them on future work.

Best regards
